

CLIENT'S VIEWS ON CBP

Classic Bike Provence is not just another bike tour: it's an entire experience, as much about the ambience, food, wine, company and scenery of this wonderful part of France as it is about the bikes and the amazing roads.

Great bikes, great countryside, great hospitality. Just need a toothbrush to brush the flies out of my grin.

Great. Fantastic. Most fun I've had with my clothes on.

Paul Fogarty

**I used to think that after more than 50 years of motorcycling I would have
experienced all the pleasures that the sport could offer. But that was before
our week with Classic Bike Provence.**

Brian Gillard

A great chance to ride classic bikes without the fear of being stranded
due to breakdown.

*Strange how I prefer to ride an old English bike to my Pan Euro. It must be something to do
with the excellent company, hospitality and rosé wine that goes with it!*

Well organised and thoughtfully put together.
