Classic Novice

An Introduction to Classic Bikes from the 1950s - 1980s

Choosing a Bike
What to Look For
Riding a Classic

Aimed at the Classic Novice

Goal:

To allow the rider
to choose and ride his/her classic
with a degree of confidence.

A 5 day course
involving
hands-on morning workshops
and
afternoon tours
giving the opportunity to ride many
different models of classic motorbikes

Day 1

Differences between a Classic and a
Modern Machine

Levers and Controls - what to pull, what to
push

The Art of the Kickstart- there are no
buttons!

Riding Technique

Day2

Evolution of the Motorcycle
Unfamiliar Terminology
Designs explained - Singles to
Multi-cylinders

Day 3

Basic Maintenance
Basic Electrics

Day 4

Buyers Guide - What to look for when buying a bike

Day 5

Which Bike for Me?
Where to Find My Bike ?
Pros and cons of dealers versus private vendors

Course Cost £575

This is purely the cost of the course
It does not include accommodation and food.
Partners who do not wish to attend the workshop
are welcome to join the party for lunch
and the rides -out in the afternoons.
